Castle Pointe Social...

by Janice Gonzales

Lorenzo and I have lived in this community for 18 years and we have missed a communication vehicle that can be used by everyone to let others know what is or has been happening! So why not start one you say? Well that's just what we are doing.

Carla Almer, Janice Gonzales and Lori Gross are the first members of the social committee and have been assigned the duty of communicating to the homeowners of Castle Pointe pertinent social information.

We are doing this two-fold. Producing this newsletter quarterly and establishing an email on the HOA community board. This website will be used to send emails to the community on upcoming activities, or getting people together looking to start a Bunco, Mahjong, hiking, or book club or helping a neighbor after a surgery or death.

As with all new things, we expect hiccups in establishing what this newsletter might provide, as well as, trying to answer what essentially does the social committee really consist of or need to communicate.

Hopefully, with a few snares here and there and the help of the community we can try and establish boundaries and have fun along

the way. Please let us know what you think we might be able to accomplish with this new communication vehicle.

For the first year, we would like to try to undertake 3 bashes for the neighborhood. The first, in the spring, a neighborhood progressive dinner. Second, our summer barbeque...possibly a block party. Last but not least, what we hope will be a continuing Castle Pointe tradition a festive "Holiday" party. We would love to hear your ideas... and of course, anyone who would like to help, please contact us.

To contact one of us or the committee as a whole you can email:

Social Committee Carla Almer, Janice Gonzales and Lori Gross are putting together this newsletter and will be posting from and receiving social information for those that wish to participate.

Bunco Anyone?

Carol Bell would love to play in a BUNCO group and encourage those who wish to join to contact the social committee at Castlepointe-social@cphoa.org. Just put BUNCO in the subject line and we'll try and get a group started.

A beautiful fall day ...nature surrounding us. Isn't it great to live in this neighborhood!

Shifts in our neighborhood...

By Janice Gonzales

We just lost five and are finding five families in our neighborhood.

Bruce and Karen Jensen of 1363 have moved back to their home roots in Nebraska, Grand Island to be exact. When I last spoke with them, they were busy renovating their home on the lake and welcomed anyone in "shoot out distance" of Grand Island to come join them in their personal paddle boat. Oh, and don't forget they have a glass of wine waiting!

Taking over for the Jensen family we now have John and Carol Bell from the Pinery in Parker Colorado. John is a retired airline pilot with US Airways and Carol a retired teacher/business entrepreneur. Carol would love to be a part of a Bunco group.

Gary and Susan Dillinger of 1369 have a new grandchild coming into their lives in California. They had purchased a home in Bonita Springs Florida and now also want to spend time in California with the new baby. Now this was a dilemma for them and they decided to sell and just maintain a home in Florida and do trips to Colorado and California throughout the year.

Joining us from Seattle at 1369 are recently retired Jerry and Vicki Seitz. Jerry retired from being an Administrator/Counselor/Latin teacher and Vicki served 25 years as a district judge. They are excited to join, as many of us, to help rear/spoil grandchildren.

Chuck and Jeanene King of 1361, one of the original owners of Castle Pointe, have decided to consolidate and move with their children to Castle Pines Village. We hope being so close, they will join us on occasion.

Moving from Kansas City, David and Lori Gross have taken possession and Lori has already stepped up and is the "member at large" of the Castle Pointe HOA. They have 2 sons living in Denver and 1 son living in Dallas. David is an avid golfer. Lori likes to craft. Both love to hike and travel.

Dean and Monika MacCarter moved into 1324 in June this year. They bring with them "Timber" their yellow lab "sidekick". Dean is a Doctor of Cardio/Pulmonary and Co-founder of Shape Medical. Monika teaches German and makes beautiful floral arrangements, especially around the holidays. Maybe we can influence her to share her talent!

Last but not least, our new neighbors just moving in we hope to share their story in the next edition of the newsletter.

WELCOME OUR NEW NEIGHBORS

Invite, give a shout "hello", introduce yourselves, offer a glass of wine or tea...be a good neighbor!

Castlepointe Holiday Gathering

by Janice Gonzales

Happy
Holidays!

We have to say "thank you" Doug and John!! Doug Moen and John Thedinga have once again taken on the task of the Holiday gathering for Castle Pointe. They have found a great venue this year, The Ridge. This party will be "only" for the Castle Pointe neighbors and lends itself to a great atmosphere to gather and socialize. So far, 41 of us are participating this year. Several of the new residents are attending. It will be a good place to give them a warm welcome to the neighborhood!

100% fun

WEDNESDAY, DECEMBER 7TH 6:00 PM

Place: The Ridge Golf Course

1414 Castle Pines Pkwy, Castle Pines
80108
