SEE WHAT OUR NEIGHBORHOOD IS DOING IN THE WINTER!

## Wow, where we all go in the Winter!

By Janice Gonzales

Boy our community is well traveled. Above on the left, Steve and Vickie Baska enjoying New York and Rockefeller Center. Pat Cheever on the right, standing on the corner in Winslow Arizona... such a fine site to see!

A few of our residents are snowbirds traveling to Arizona for the winter.

Bob and Carla Almer were in Mexico this winter playing in the sand and water!

Kathleen and Drew are always tromping off to some far away exotic place. We have a few pictures to testify to that.

Another well-travelled couple, Ken and Sue Ryerson had a great trip to south Africa and the Seychelles this winter. Ask them to see pictures of their African Safari. We have a few to tease!

Dana and Bob Roy love to fish whenever, they can find a river. This couple are quite the golfers and fishermen!

Doug and Steff Moen travel up to their winter location in the mountains as often as they can. Sometimes, their grandchildren's cry brings them back into to town. I know it's hard to resist that cry, huh?

Janice and Lorenzo were able to sneak away to Austria for Christmas to visit their youngest son, Derek and his family. Beautiful Christmas markets. Also, visiting Mexico where the sun was oh so nice!

Brian Mitchell and a special person in his life, Susan, have been enjoying traveling back and forth from Denver to Philadelphia.

We couldn't have asked for better weather so far this season...but I hear the calling of spring. I am looking forward to the new season! How about you?

# Neighbor message and Bunco

## Letter from Natalie Roesch to the community:

It is with some sadness as I write this. Rod and I are moving to Legacy Village, an Independent/Assisted Living complex just down the road.

We have lived here since the autumn of 1999 and enjoyed all these years: the view, the tranquility, wild life, the changing seasons, fabulous sunsets, and friendships we have made. But for us, it is time.

The good news is that my son Bret and his wife, Lori Thayer have bought our home! So, we will be able to come back and visit and pass what we loved to two people we love very much.

P.S. Is anyone interested in buying an infrared sauna? Unfortunately, I will not be able to take it to the Legacy Village. This is a small closet size cedar sauna, which has great health benefits. Just give me a call for more information. 303-663-2219

## BUNCO Anyone...

**This social event is hosted the last Tuesday of each month.** It continues to be a great success for the community.

Next game is scheduled **April 24<sup>th</sup>** at Judy Kleeman's house. We still need a host for May 29<sup>th</sup>. Mary Lou Dreier is hosting June 25<sup>th</sup>. Contact the social committee if you would like to join or to host this event in the future.

*This section in the newsletter, neighbors will share with one another news that we all would like to HEAR about in our community. It can be a "thank you", an illness, a new baby, adoption, death...anything and everything.*

- (left) Congratulations go to Vicki and Jerry Seitz's son Jerome or more affectionately called "Junior" as he received his "white" coat during a ceremony in Dublin Ireland. He is finishing his 2<sup>nd</sup> year of medical school.
- (middle) Lori and Dave Gross celebrated their son Parker and new daughter-in-law Brittany's wedding on March 30<sup>th</sup> in Sacramento California! We send our congratulations to the new couple...
- (right) A special Christmas for Janice and Lorenzo Gonzales in Vienna Austria. Their son Derek, wife Selma, grandson Mateo (5) and granddaughter Enna (3) saying "hello" to Colorado!
- Rod and Natalie Roesch are moving in June into a two-bed room unit, in the new Legacy Village of Castle Pines. It will be just a "shout out" distance for all of us.
- Condolences to Lee and Betty Le Febre, as Lee's brother Don recently passed away.
- Our sincere deepest empathy goes to Phil and Mary Dee Seibold...they recently lost their oldest daughter Susan, age 49 due to congestive heart failure.
