Beautiful gathering at the Ridge!

By Janice Gonzales

Such a lovely venue "The Ridge". We couldn't ask for a better accommodation to host our Holiday fun! The place was all ours...

Again, we want to thank all of you for your enthusiastic response and fabulous participation. We had 40 participants and that is with our snowbirds not being able to attend!

A special "thank you" goes to Carla Almer and Lori Gross for setting the menu and date at the venue. Later, "gratitude" goes to Lori and David Gross for their

efforts in the final arrangements for the dinner. Without these efforts the community would not have enjoyed this special evening.

The evening began at 6:00 with "two" jar number guesses of mint and chocolate at the front table. Best guessers were **John Bell** and **Maxine Dunn** receiving a bottle of Prosecco as a prize. Worst guess went to **Steve** and **Vicki Baska** who didn't do so bad by receiving the jars of candy!

Appetizers consisted of hummus, vegetable crudité's and flatbread. We ate maple glazed salmon and pork tenderloin with wild berry reduction and sides of rice, parsnip puree and vegetables. We ended the evening with flourless chocolate cake. There was a cash bar and

any kind of drink was available for consumption. I don't think anyone went home thirsty or hungry?

We can only hope for next year of at least meeting or exceeding this year's event!

New management and Annual HOA meeting

On November 2nd the HOA board including, Kim Starr, Janice Gonzales, Carla Almer and Ken Ryerson held their annual HOA meeting at the Clubhouse at 6:00 pm. The community was invited and wine, beer, water, appetizers and dessert were provided. We had a great turnout of community members who attended. A quorum was easily attained.

Angie Kelly was introduced as our new representative and liaison for our new management

company, Community Resource Services located in Greenwood Village, CO. A search and interview process was performed, by the board, after Premier Property Management gave notice to discontinue services. Community Resource Services was selected after taking into consideration "fit" within our community, services provided and cost.

The architecture committee reported their results of the walk-through of the

neighborhood and said a few letters would be following in the mail of items that needed to be addressed. All the board members were retained for another year and the snow committee lost a member (Marv Tibbett) and regained an old (Doug Moen).

Landscaping issues/Landscapers were discussed. The board asked the new management company to help in trying to resolve and/or investigate alternative landscaper options.

Neighbors please share with one another news that we all would like to HEAR about in our community. It can be a "thank you", an illness, a new baby, adoption, death...anything and everything.

Central Vienna at Christmas!

- With mixed emotions (sad for our loss...happy for her new beginning) we say good-bye to **Maxine Dunn**. She moved during the Holiday season and a new couple will be joining our neighborhood soon. Maxine stayed through the holidays with her son in town and then will be looking for a home in Arizona. We wish her the best in her new journey!
- "Thank you" to **Doug Moen**, for being our snow ambassador! Not only is he active on the Snow Committee, but often goes to those in need to help shovel when snow accumulations aren't enough for our snow service.
- The **Seibolds'**, **Mary Dee and Phil**, welcomed the "real" Santa to their house on Christmas Eve. So much fun!!
- The **Bonnors'**, **Dick and J'nean**, spent the holidays in Houston with their son and his family.
- The **Gonzaless'**, **Lorenzo and Janice**, went off to visit their son Derek and family in Austria. What a beautiful city Vienna with festive lights and Christmas markets galore. They also spent time at a kinder hotel in the alps with their Austrian clan.
