Progressive Dinner May 5th was a fiesta with flare!

By Janice Gonzales

Again, what an amazing day to host our 2nd annual Progressive Dinner at five homes in Castle Pointe!

We want to thank all of you for your enthusiastic response and fabulous participation. We had 36 participants. A special "shout out" goes to the hosting couples.

Carla and Bob Almer took on the entire group hosting dessert to celebrate Cinco De Mayo. It was celebrated in rare form in this community. This year, our HOA provided beer for the dinner hosts and Baileys for our dessert

hosts. We had scrumptious Tres Leche cake, individual panna cotta shots, Bundt cake and a tort provided by our great chefs in the neighborhood... yummy!

Once again, Doug and Stephanie Moen stepped up, as well as, Dean and Monika MacCarter in hosting the appetizer houses. We divided participants and asked each attendee to bring either wine or an appetizer to their hosting house. As always, some delicious appetizers were on hand at both houses.

Three couples hosted dinner for 10-12 people. Pat and Peggy Cheever, Janice and Lorenzo Gonzales and Dave and Lori Gross. Each host house made a Cinco De Mayo theme menu and asked attendees to bring sides to compliment the main course

they provided. Peggy and Janice got together and made their main courses together, with wine drinking of course!

We spent quality time at each location, enjoyed each other's company, basked in the open air at times and I believe we thoroughly enjoyed ourselves!

**Stay tuned for our
next gig, August
26th at 5:00-8:00 pm

If anyone else would like to advertise any gatherings around the community please reach out to the social committee and we will try to get out the word!

New to Castle Pointe

Bret (son of Natalie Roesch) and Lori Thayer have moved into the neighborhood from the Stapleton area. Bret teaches at Arvada West and has a side gig training with Agile. Lori is working from home testing 401k software. She comes from North Dakota as Bret is a native of Colorado. They both love camping as often as they can and love our community nestled in seclusion with nature!

"Flamingle" Happy Hour

Our first mingling Happy hour at Bob and Carla Almer's house was a great success... it was an impromptu on June 22nd 4:30-6:30 event! It was BYOB with munchies brought by several of the neighbors. **More mingling** coming SOON.....be on the outlook!

Farewell Party for Natalie Roesch at the Ridge

This section in the newsletter, neighbors will share with one another news that we all would like to HEAR about in our community. It can be a "thank you", an illness, a new baby, adoption, death...anything and everything.

- (left and middle) Pat and Peggy Cheever celebrated their daughter Kelli and new son-in-law Hugh Tawney's wedding on June 9th at Wild Canyon Ranch in Lake George Colorado! We send our congratulations to the new couple...
- (right) Happy third birthday to Carla and Bob Almer's granddaughter Olivia.
- Rod and Natalie Roesch are moving in June into a two-bed room unit, in the new Legacy Village of Castle Pines. It will be just a "shout out" distance for all of us.
- Commiserations to John and Mary Kay Thedinga, as John's father recently passed away.
- Our sincere condolences go to Ron Hamagami and Carolyn Copeland...Ron lost his mother in January and Carolyn her brother-in-law in February.
- Monika and Dean MacCarter have lost their "beloved" dog Timber. Animals are best friends and buddies to their owners. We will miss him walking through the neighborhood!
- And lastly, another resident has lost a parent....it is with sadness that we report that Kelly Gallant's father passed away quite recently. We send our sympathy to her and her son Jordan!

Architectural Committee Comments

The Castle Pointe Architectural Committee would like to request, that now that summer is in full bloom, we take a gander at our yards. Can we try and clean up our flower beds, remove unwanted weeds and lost flowers, replace grass where necessary and make our community shine?

Also, please visit the Castle Pointe HOA guidelines for any architectural/landscaping changes you might be considering. (<http://cpnhoa.org/neighborhood-hoa/castle-pointe-hoa/covenants-and-governance>)

Thank you!
