Block Party on August 26th was almost....!

By Janice Gonzales

Neither wind nor rain ...can keep the Castle Pointe community from their appointed round of our second official Block Party!

We want to thank all of you for your enthusiastic response and fabulous participation. We had 61 participants, largest group ever for any function yet hosted by the Social Committee.

"Shout outs" go to the hosting couples and our ever-present community for all the outdoor equipment needed to make this party each year such a success! Everyone is so obliging...

Once again, Bob and Carla Almer were gracious enough to allow their yard and garage to be used. The garage was used as our food "galley" and such a variety of food we had! Everyone provided such delicious dishes. Appetizers, sides and desserts galore...Meat was provided by the HOA and the social committee selected "Burnt Ends" in Greenwood Village to supply the meat. We had burnt ends, sausage, and smoked turkey. **WOW**, the meat was a big hit as almost **ALL** was gone in mere amount of time.

Encore, Ken and Sue Ryerson stepped up, allowing their yard to be taken over with pop up tents and chairs! One of them being their own...thank you everyone for supplying popup tents, tables, chairs and food!

We can always count on you for helping make our events successful!

The entertainment was supplied by Carla and Bob and this year, we actually had some participants in playing cornhole and ladder ball. Maybe next year we can have tournament play??

HOLIDAY PARTY

Stay tuned for our next

Bunco, Flamingle, and Ladies' Luncheon

BUNCO Keeps on keeping on.....

This social event is hosted the 4th Tuesday of each month. It continues to be a great success for the community. Recently, Mary Lou Dreier, Carla Almer, Janice Gonzales, and Mary Kaye Thedinga have had the opportunity to turn their living and dining rooms into BUNCO halls! Only a few lingering "ghosts" are around... as we seem to have ample number of participants at this function.

If you haven't played previously, and would like to give it a try... **contact** Carla Almer to be put on the email list sent out each month. Awesome... each month different people play Bunco while others play at travel, visiting family or other fun opportunities.

"Flamingle" Happy Hour

Our second mingling Happy hour was at Phillip and Karen's house and it was a fabulous happening...thank you guys for doing such an awesome job of showing hospitality on a very

impromptu event! We only have a few pictures of Carla's flamingle...because people were having so much fun... they forgot to take pictures at our second happy hour! It was BYOB with munchies brought by several of the neighbors.

More mingling coming SOON.....be on the outlook or ask Carla where the flamingos hide out!

Luncheon at the Ridge

We managed to have an all ladies' luncheon at the Ridge in between everybody's busy summer schedule and our other community gathering. Beautiful setting, nice group of friends... what more could we ask for!

If anyone else would like to advertise any gatherings around the community please reach out to the social committee and we will try to get out the word!
