### Gabriel's such a perfect venue in Sedalia!

By Janice Gonzales

Awesome, awesome, awesome! That is all I can say about Gabriel's! We were so spoiled by an exceptional staff serving drinks, bruschetta, dinner and dessert!

Again, we want to thank all of our enthusiastic participants and hope next year we see more of your bright and shining faces. We had 28 participants including previous neighbors and Bunco and mahjong friends!

A special "thank you" goes to **Carla Almer** for the fun photo booth that **Bob** and she put together. Also, "appreciation"

goes to **Carol Bell** and **Lori Gross** for their efforts in creating our dinner cards, and choosing the games and prizes. Without the dinner cards, food service would not have gone as smoothly for this special evening.

The evening began at 6:00 with "two jar number guesses" of marshmallows and chocolate kisses at the front table. Best guessers were announced later in the evening. **Sue Ryerson** receiving a bottle of wine and **Pat Cheever**, a popcorn medley. Worst guess went to **Linda Caton** who didn't do so badly receiving the jar of kisses!

During cocktail time we indulged in conversation and a walking appetizer of bruschetta. After being seated, a honey smoked Salmon Primavera was served as

an appetizer, followed by a mixed salad. We then ate a selection of either; Chicken Parmigiana with shrimp or Beef Marsala with shrimp accompanied by pasta as our main course. Ending the evening we enjoyed a medley of chef's choice of three desserts. I truly don't think anyone left hungry!

The entire evening was perfect!

# Bunco and Annual HOA meeting!

## BOARD MEETING

On October 29<sup>th</sup> the HOA board including Kim Starr, Janice Gonzales, Carla Almer, Ken Ryerson and Lori Gross, held the annual HOA meeting at the Clubhouse at 6:00 pm. The community was invited and a taco bar, wine, beer, soda and dessert were provided. We had 22 homes represented at the meeting with a quorum easily attained with our proxies.

Angie Kelly and Tanner Munson representative and liaison for our management company, (Community Resource Services)

and a representative from Landtech Landscaping, Zachary Gardner attended. We discussed at length landscaping. Two of the board members stepped down, Ken Ryerson (Treasurer) and Lori Gross (Member at Large). We want to "thank" them for their service to the community. Steve Baska and Vickie Seitz were voted in. The following position was changed. Janice Gonzales moved to Treasurer position. Steve filled Vice President and Vickie Seitz filled Member at large.

The board requested a \$20 increase in the HOA fee and it was approved by the community.

## BUNCO

**Above are a few pictures of our continuing BUNCO fun...**

**Natalie Bicknell will host February 26th shindig!**

*Neighbors please share with us any community news. It can be a "thank you", an illness, a new baby, adoption, death...anything and everything.*

Look at these ladies making gingerbread houses, a little princess in the making and brand-new grandparents!

- "Thank you" to **Doug Moen**, for being our snow ambassador once again! Not only is he active on the Snow Committee, he shoveled 14 neighbors' driveways in one day when snow accumulation wasn't enough for service! Think that may be a record!!
- We send our heartfelt thoughts and hugs to **Bob** and **Dana Roy** as they lost their son-in-law, Devin, over the New Year holiday.

## New to Castle Pointe

**Jim Feltis, Kathy Parker** and daughter **Debbie**, haven't officially moved in...they have been busy updating their home to have all American products and free of anything harmful. This has kept Jim doing many projects in the house. Jim is retired but has dabbled in many things during his career. Golf Pro, Bar owner, remodeler, and currently maintaining several house rentals. Kathy retired after 30 yrs. with the federal government...but continues working at Tuven as a Research Librarian. They have been married 26 years and look forward to moving into our community and getting to know their neighbors.

Very recently, **Scott Monserud** and partner **Dorthea Ellerby** have joined our neighborhood. Scott moved to Colorado from Texas in 2001. He is originally from a small-town Monona Iowa. He is an assistant managing editor in sports for the Denver Post. During his downtime, he enjoys hiking and golf. Dorthea has come from LA where she tried her hand at acting. She currently works for Comcast and enjoys hiking, art and acting! They share a very precocious cat that loves brownies!!
